

# Emissions savings until 2030...

Source: Calculation European Commission, 2022

**With ETS, there will be 25 times more emissions saved than with the CO2 emission standards for cars and vans.**

## COUNCIL: „MONEY FOR NOTHING”

- **Final Deal: Money spent on purpose for transition, protection of jobs and helping vulnerable people**
- ETS1: “[...] Member States ~~shall~~**should** use their ~~those~~ revenues generated from the auctioning of allowances referred to in paragraph 2, with the exception of the revenues used for the compensation of indirect carbon costs referred to in Article 10a(6), **or the equivalent in financial value of these revenues**, for one or more of the following:”;
- ETS 2: “[...] Member States **[shall]** use their revenues or the equivalent in financial value of these revenues for the measures and investments referred to in Article 10 (3) [...]”
